## General Unknowns

**NOTICE TO BENEFICIARIES OF INTERESTS THE LAND SHOWN  
EDGED RED ON THE PLAN**

**pursuant to Section 42 of the Planning Act 2008**

**HINCKLEY NATIONAL RAIL FREIGHT INTERCHANGE**

**Extension to Statutory Consultation Period**

**Tritax Symmetry (Hinckley) Ltd is extending the statutory consultation on proposals for the Hinckley National Rail Freight Interchange to 8th April 2022.**

**This notice relates to interests in land the beneficiaries of which are unknown – if you have not received a consultation letter from us but believe you have an interest in the land please contact TerraQuest on 0121 234 1300 or at [hinckleyosj@terraquest.co.uk](mailto:hinckleyosj@terraquest.co.uk) and we invite you to comment on the proposals.**

**Proposals for a strategic rail freight interchange – including warehousing – on the land south of Elmesthorpe, between the Leicester to Hinckley railway and the M69 motorway (known as Hinckley National Rail Freight Interchange, (HNRFI)) and associated highway works.**

Notice is hereby given that Tritax Symmetry (Hinckley) Ltd will apply for a Development Consent Order (DCO) to the Secretary of State. If accepted, the application will be examined by the Planning Inspectorate and a recommendation will be made to the Secretary of State for Transport who then decides whether to approve the DCO.

**The Proposals**

The main features of the proposal are:

- New rail infrastructure providing access to the series of parallel sidings
- Intermodal freight terminal ('railport') capable of accommodating up to 16 trains per day of up to 775m in length
- Hard surface areas for container storage
- Up to 850,000m<sup>2</sup> GIA of warehousing and ancillary buildings with a total footprint of 650,000m<sup>2</sup> and up to 200,000m<sup>2</sup> of mezzanine floorspace
- Lorry park with HGV fuel filling station
- Energy services area incorporating an electricity sub-station connected to the local distribution network and a gas-fired heat and power plant (10MW generation capacity fed from solar PV including standby capacity (20MW) and battery (20MW))
- Terrain remodeling, hard and soft landscape works, amenity water features and planting
- Noise attenuation measures – acoustic barriers up to 6m in height
- Pedestrian, equestrian and cycle access routes and infrastructure
- A new link road from M69 junction 2 to the B4668 / A47 Leicester Road including:
  - New access road connecting to an internal road network serving the Strategic Rail Freight Interchange (SRFI)
  - New rail bridge within the SRFI site
  - New junction at B4668 / A74 Leicester Road
- Works to the M69 motorway at Junction 2 comprising:
  - Reconfiguration of existing roundabout and approach lanes
  - Additional southern slip roads

## Consultation

The purpose of the current stage of statutory consultation is to receive feedback on the proposals from the relevant people. Responses will be considered in the formation of the final proposals and the impact of consultation on the final proposal will be detailed in a Consultation Report which will be submitted as part of the DCO application.

The project website ([www.hinckleynrfi.co.uk](http://www.hinckleynrfi.co.uk)) contains the following documentation for viewing and download and upon which we are seeking your views as part of the consultation:

Subject to government guidelines regarding public gatherings in relation to the ongoing Covid-19 pandemic, and to any restrictions which may be in place at the particular venue, we are planning to hold public exhibitions at several locations as follows:

- Elmesthorpe Village Hall: Wed 19<sup>th</sup> Jan, 2pm-8pm
- Stoney Stanton Village Hall: Fri 21<sup>st</sup> Jan, 12.30pm-6.30pm
- Elmesthorpe Village Hall: Sat 22<sup>nd</sup> Jan, 10am-1pm
- Burbage Millennium Hall: Mon 24<sup>th</sup> Jan, 3pm-8pm
- Sapcote Methodist Church: Wed 26<sup>th</sup> Jan, 2pm-8pm
- The George Ward Centre: Fri 28<sup>th</sup> Jan, 2pm-8pm
- St Francis Community Centre: Sat 29<sup>th</sup> Jan, 10am-1pm
- Ashby Road Sports Club: Mon 31<sup>st</sup> Jan, 2pm-8pm
- Narborough Parish Council Hall: Tues 1<sup>st</sup> Feb, 1pm-9pm

We are also hosting two webinars, which require booking via the website ([www.hinckleynrfi.co.uk](http://www.hinckleynrfi.co.uk)) or by calling the Community Information Line (0844 556 3002). The two webinars will be held at the following times:

- Tuesday 25<sup>th</sup> Jan, 2pm-4pm
- Wednesday 2<sup>nd</sup> Feb, 6pm-8pm

We are aware of the potential for changes in guidance relating to public spaces due to the Covid-19 pandemic and we take public health and safety arrangements very seriously. At the time of writing this letter, those potential changes cannot be known. We are therefore currently planning to proceed with the events as outlined above. We will, however, keep this under review and in the event that any changes are needed in relation to those arrangements, such as restrictions on numbers, booking slots to attend the events or possibly even the need to hold more virtual events in place of those face-to-face exhibitions, we will publicise updates to explain any necessary changes, through our project website, the social media platforms listed above and through local press where possible.

### **Consultation responses**

We invite you to comment on the proposals during the consultation period, which officially runs from 12<sup>th</sup> January until 9<sup>th</sup> March 2022. The Act requires a 28-day period for this consultation however we have opted to allow more than the statutory minimum 28-day period. The deadline for receipt of responses is 9<sup>th</sup> March 2022.

Please respond using one of the following methods:

- Ashby Road Sports Club: Mon 31<sup>st</sup> Jan, 2pm-8pm
- Naborough Parish Council Hall: Tues 1<sup>st</sup> Feb, 1pm-9pm

We are also hosting two webinars, which require booking via the website ([www.hinckleynrfi.co.uk](http://www.hinckleynrfi.co.uk)) or by calling the Community Information Line (0844 556 3002). The two webinars will be held at the following times:

- Tuesday 25<sup>th</sup> Jan, 2pm-4pm
- Wednesday 2<sup>nd</sup> Feb, 6pm-8pm

We are aware of the potential for changes in guidance relating to public spaces due to the Covid-19 pandemic and we take public health and safety arrangements very seriously. At the time of writing this letter, those potential changes cannot be known. We are therefore currently planning to proceed with the events as outlined above. We will, however, keep this under review and in the event that any changes are needed in relation to those arrangements, such as restrictions on numbers, booking slots to attend the events or possibly even the need to hold more virtual events in place of those face-to-face exhibitions, we will publicise updates to explain any necessary changes, through our project website, the social media platforms listed above and through local press where possible.

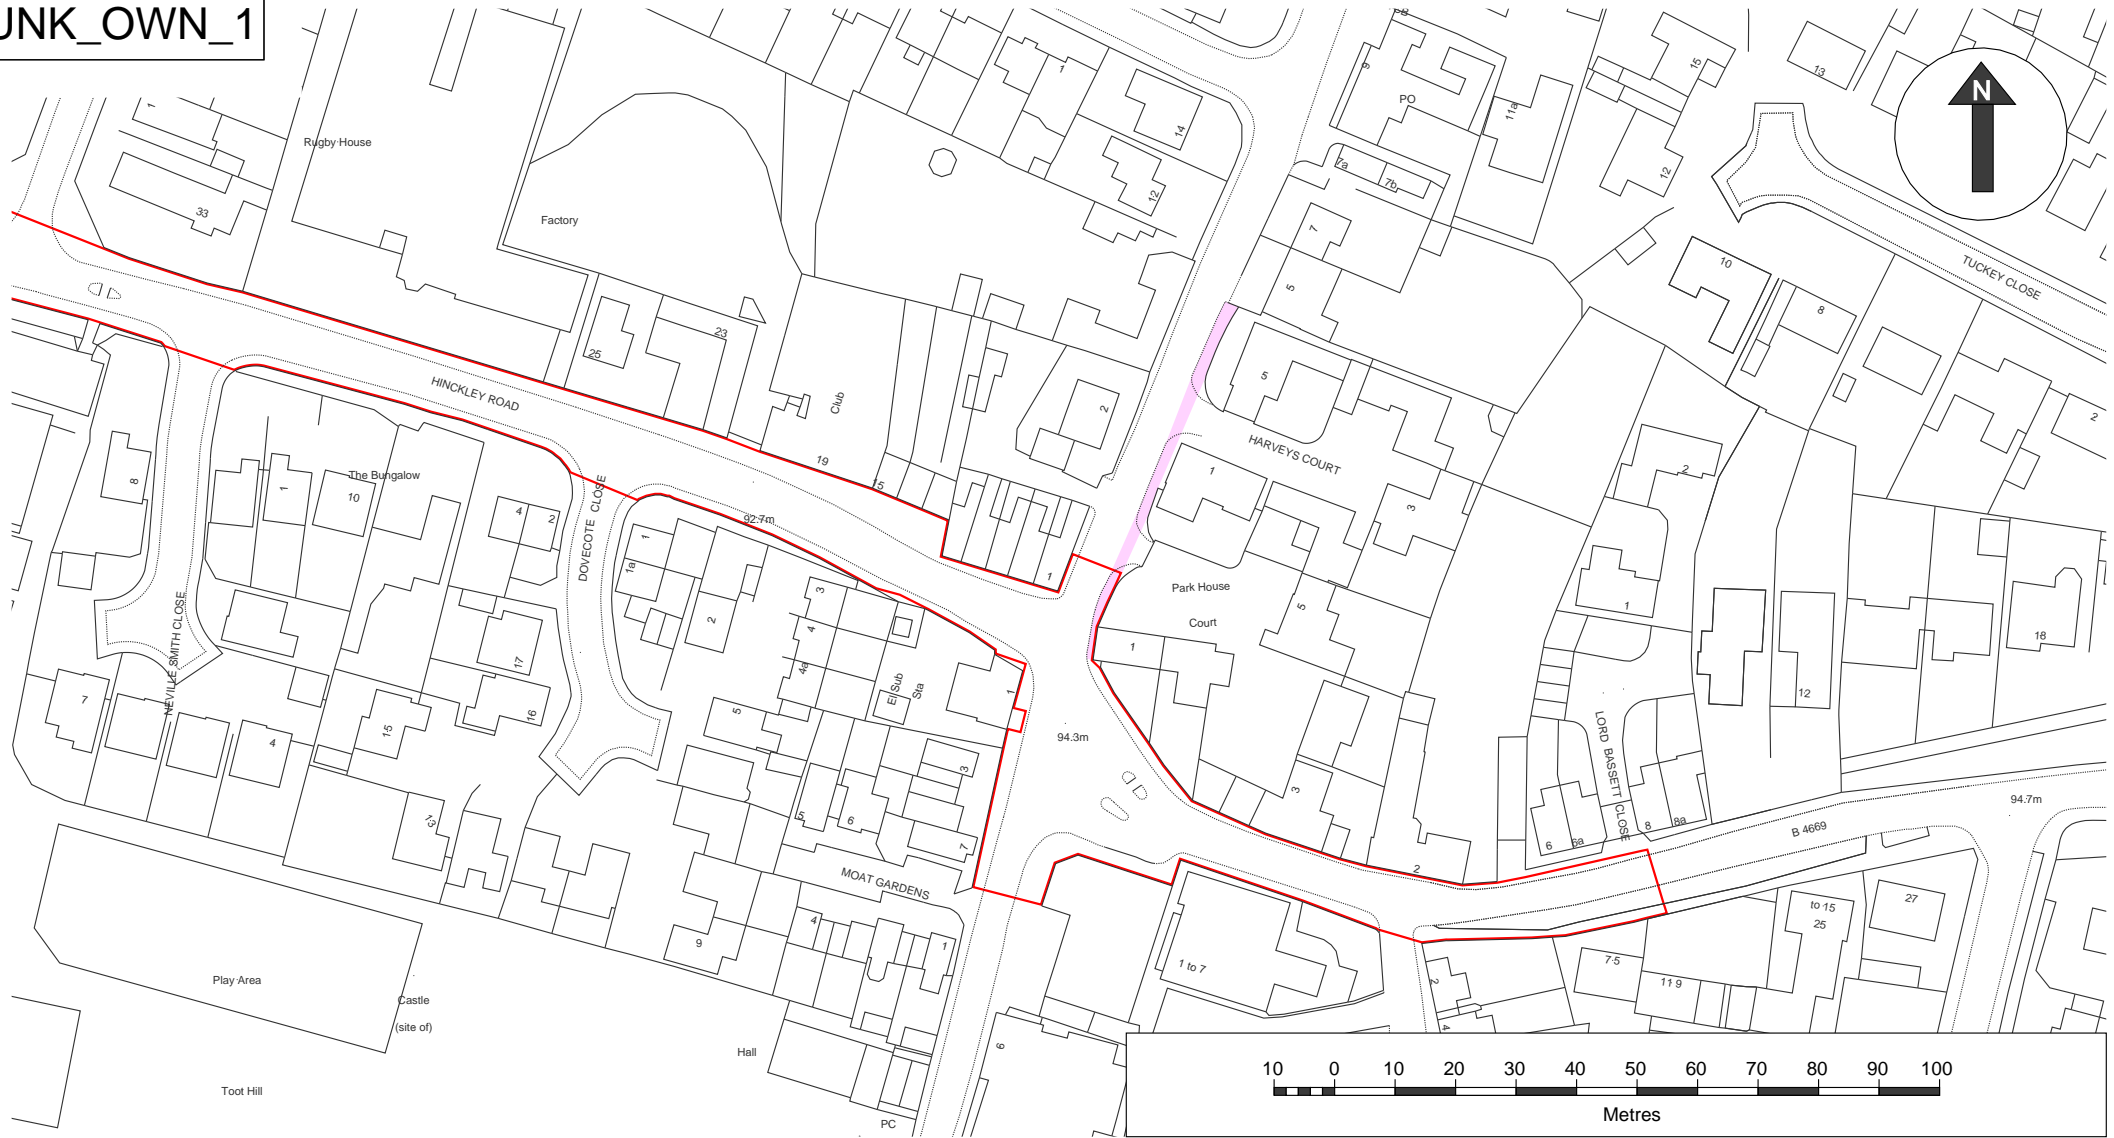

### **Consultation responses**

We invite you to comment on the proposals during the consultation period, which officially runs from 12<sup>th</sup> January until 9<sup>th</sup> March 2022. The Act requires a 28-day period for this consultation however we have opted to allow more than the statutory minimum 28-day period. The deadline for receipt of responses is 9<sup>th</sup> March 2022.

## Unknown Subsoils

**NOTICE TO THE OWNERS OF THE SUBSOIL BENEATH ADOPTED HIGHWAY SHOWN  
EDGED RED ON THE PLAN**

**pursuant to Section 42 of the Planning Act 2008**

**HINCKLEY NATIONAL RAIL FREIGHT INTERCHANGE**

**Extension to Statutory Consultation Period**

**Tritax Symmetry (Hinckley) Ltd is extending the statutory consultation on proposals for the Hinckley National Rail Freight Interchange to 8th April 2022.**

**This notice relates to land beneath adopted highway (known as subsoil interests) the ownership of which is unknown – if you have not received a consultation letter from us but believe you own the land shown edged red on the plan please contact TerraQuest on 0121 234 1300 or at [hinckleyosj@terraquest.co.uk](mailto:hinckleyosj@terraquest.co.uk) and we invite you to comment on the proposals.**

**Proposals for a strategic rail freight interchange – including warehousing – on the land south of Elmesthorpe, between the Leicester to Hinckley railway and the M69 motorway (known as Hinckley National Rail Freight Interchange, (HNRFI)) and associated highway works.**

Notice is hereby given that Tritax Symmetry (Hinckley) Ltd will apply for a Development Consent Order (DCO) to the Secretary of State. If accepted, the application will be examined by the Planning Inspectorate and a recommendation will be made to the Secretary of State for Transport who then decides whether to approve the DCO.

**The Proposals**

The main features of the proposal are:

- New rail infrastructure providing access to the series of parallel sidings
- Intermodal freight terminal ('railport') capable of accommodating up to 16 trains per day of up to 775m in length
- Hard surface areas for container storage
- Up to 850,000m<sup>2</sup> GIA of warehousing and ancillary buildings with a total footprint of 650,000m<sup>2</sup> and up to 200,000m<sup>2</sup> of mezzanine floorspace
- Lorry park with HGV fuel filling station
- Energy services area incorporating an electricity sub-station connected to the local distribution network and a gas-fired heat and power plant (10MW generation capacity fed from solar PV including standby capacity (20MW) and battery (20MW))
- Terrain remodeling, hard and soft landscape works, amenity water features and planting
- Noise attenuation measures – acoustic barriers up to 6m in height
- Pedestrian, equestrian and cycle access routes and infrastructure
- A new link road from M69 junction 2 to the B4668 / A47 Leicester Road including:
  - New access road connecting to an internal road network serving the Strategic Rail Freight Interchange (SRFI)
  - New rail bridge within the SRFI site
  - New junction at B4668 / A74 Leicester Road
- Works to the M69 motorway at Junction 2 comprising:
  - Reconfiguration of existing roundabout and approach lanes
  - Additional southern slip roads

## Consultation

The purpose of the current stage of statutory consultation is to receive feedback on the proposals from the relevant people. Responses will be considered in the formation of the final proposals and the impact of consultation on the final proposal will be detailed in a Consultation Report which will be submitted as part of the DCO application.

The project website ([www.hinckleynrfi.co.uk](http://www.hinckleynrfi.co.uk)) contains the following documentation for viewing and download and upon which we are seeking your views as part of the consultation:

- Preliminary Environmental Information Report (PEIR)
